8. (Secret - JSW) Talked with Senator Howard W. Cannon furnishing him certain information and making arrangements to clear up a problem. These efforts were most successful. See Memorandum for the Record.

9. (Internal Use Only - JGO) Met with Mr. Thomas Temple, Assistant to Congressman M. G. (Gene) Snyder (R., Ky.), concerning the Congressman's letter of 21 February 1964 which enclosed three Henry Taylor columns extracted from unidentified newspapers. Mr. Temple readily appreciated the Agency's inability to comment on the Henry Taylor articles for response to constituents and indicated that the copy of Senator Dodd's speech of last week before the Senate would be most helpful in preparing appropriate responses from the Agency would be required.
